HARSH WALIA

Gwalior, India | +91 9761423844 | harsh.p.walia@gmail.com | linkedin.com/in/harsh-walia-32b968172/ | github.com/harshwalia36

SUMMARY

Data Science and Machine Learning enthusiast with a strong background in programming and a track record of achieving results. Kaggle 3X Expert. Experienced in designing and implementing machine learning models for various applications. Skilled in Python, C, C++, SQL, and various frameworks and libraries. Strong knowledge of machine learning, deep learning, NLP, and computer vision.

EXPERIENCE

SDE intern, Google India, Bangalore   Jan 2023 - July 2023

- Designed and built a Multiple document summarization Engine from different Viewpoints by Fine-tuning different LLMs under Google Search Team.
- Improved metrics by 2 percent and reduced...

SDE intern, SAMSUNG (SRI-B), Remote   May 2022 - July 2022

Data Science intern, INTERVIEW BIT (Scaler), Remote   Dec 2021 - April 2022

EDUCATION

Integrated BTech + Mtech, Information Technology, IIIT Gwalior   2018 - 2023

Gyankalash International School - 12th: Percentage 87% - 10th: CGPA 9.2/10

ADDITIONAL INFORMATION

- **Technical Skills**: C (Expert), C++ (Expert), Python (Expert), SQL (Expert), JavaScript (Familiarity), Node.js (Familiarity), React.js (Familiarity), Flask (Familiarity), HTML (Familiarity), CSS (Familiarity), MongoDB (Familiarity)
- **Frameworks/Libraries**: Keras, TensorFlow, PyTorch, Sklearn, AWS, MLFlow, W&B, Numpy, Pandas, Matplotlib, Streamlit
- **Domain Knowledge**: Machine Learning, Deep Learning, NLP, Computer Vision, MLOps, Web Development
- **Others**: Git/Github, Heroku, Latex, Linux, openCV
